## A SAN FRANCISCO TURF SCANDAL.

The San Francisco Blood Horse Association are investigating the conduct of a jockey who "pulled" a horse in a race. The animal was the favorite, and well in the lead, when the jockey laid back on the lines with all his might and the horse soon fell to third position.

Just before the race a well-known bookmaker was seen to whisper to the jockey, and at once began to back another horse, betting with every dollar he had. Afterwards the jockey bragged that he got \$500 to "pull" the race.

The judges allowed these scallawags to play the trick right under their noses, and the public was fleeced out of thousands.

This game has been going on in San Francisco for years, and the whole racing proposition has been reduced to a systematic plan of a thieving, swindling certainty. The Association will make a show of investigation, and the offending jockey will be dropped from the rolls for a while to bob up again in a few months with all his rights restored. As long as gullible people are fools enough to patronize these turf dead-falls, so long will the insiders fatten at the expense of the crowd.

It is common to find such entries as this on hotel registers:

"John Henry Robinson & w.f."

Not unfrequently the "w.f." is very much the better half of the pair, and not the least important. An amended entry would be more like this:

"J. H. Robinson and Wife"

Woman has many wrongs of which she is all unconscious. If the wife did the registering, one might occasionally find the page bearing an inscription in this fashion:

"Susan B. Robinson & hb. (J. H.)"

An entry like that would let John Henry, down to his proper bearings, in some cases.—Marysville Appeal.

Bill Briggs, the famous San Francisco gambler, has been compelled finally to "turn up his box." William Briggs, Esquire, was a large, warm hearted man, and we always liked him personally, but it is hard to forget that time about fifteen years ago when we copped the jack and played the queen to win, and he whip-sawed us five times running. This may be business, but it's not the way to welcome a new-comer in a strange land.

A general clean-up is very desirable in the Spring. Back yards and alleys gather filth even from clean folks, and old fences get musty and old sheds gather bugs. A good strong rake and plenty of whitewash will do much to keep out disease. Copperas in drains, sewers and vaults will kill germs and bad odors. It is cheap, convenient and effective, and may save lives if the Summer is long, hot and dry.

A COLD DAY.—The street sprinkler was on duty yesterday. All Hail!—Enterprise.

When a street sprinkler can squirt water under a heavy pressure and have it all hail by the time it hits the ground, it would seem to indicate a very low state of temperature on the Comstock.

The fools who rushed to Oklahoma do not find it a paradise. Several men have already been killed, the Indians are taking a hand in the row and water is 5 cents a glass and brakish stuff at that. Most of the boomers are homeward bound and getting out of the territory on the dead run.

The complaint on which a man was arrested in San Luis Obispo Saturday alleged that he had "in a violent manner hurled, thrown and forced into the face of the complainant with great tempestuosity" a beer glass.

J. A. Whitcher has been appointed U. S. District Attorney to succeed Thomas E. Haydon. Here's one Democratic head in the basket, anyhow.

### TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the fastest locker a man ever saw. He took the first premium for 3-year-old Stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$30 to insure.

#### PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2-3 and 4-year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 29 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2; 3 year old record 2 18 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt I can sell you one cheap. Positively no shooting allowed on the premises.

ADDRESS,

JOHN P. SWEENEY, Prop'r,

CARSON CITY, NEV
